

## Abu Dhabi Residents Office strategic partners unveil exclusive benefits for Abu Dhabi Golden Visa holders

- Exclusively available to Abu Dhabi Golden Visa holders, the benefits include valuable discounts and offers in automotive, real estate, healthcare, hospitality, health insurance and banking
- Available through partnerships between Abu Dhabi Residents Office (ADRO) and strategic partners representing top global brands

**Abu Dhabi, UAE on 28 February 2022:** As part of ongoing efforts to incentivise investment in Abu Dhabi's ambitious economic development plans and make meaningful progress towards the emirate's growth targets, Abu Dhabi Residents Office (ADRO) – part of ADDED - and its strategic partners have unveiled extensive commercial benefits available exclusively to holders of the Golden Visa in Abu Dhabi.

The new step complements ADRO's efforts to accelerate the assimilation of Golden Visa holders into Abu Dhabi's thriving business community. The objectives of the partnership, ADRO's statement confirmed, is to stimulate economic momentum and introduce tangible benefits that will be quickly felt in terms of trade size and economic opportunities. The partnership was signed between ADRO, and several leading brands and institutions in automotive, real estate, healthcare, hospitality, health insurance and banking.

Abu Dhabi's Golden Visa is notably the first of its kind in the region that offers long-term residence to talented and specialised individuals in many fields, for five or ten years, and in a manner that serves the emirate's sectors of focus and growth vision.

Commenting on the partnership news, Hareb Al Mheiri, Acting Executive Director of the Abu Dhabi Residents Office, said that the partnership aims to support the capital emirate's economy with the tools and foundations of long-term growth, adding: "We're taking all the necessary measures to ensure our vital sectors have an uninterrupted supply of world-class talent. The Golden Visa represents a major step in this direction, owing to the vast economic opportunities it offers, and the partnerships we're leading will help us achieve these objectives."

"We have a responsibility to support Golden Visa holders with the services and benefits that would facilitate a comfortable life in Abu Dhabi, and contribute to the success of their businesses and investments. With ADRO's partnership efforts, Golden Visa holders will now have access to exclusive services and products. We are also working on expanding the pool of benefits and promotions outside the scope of Golden Visa holders to include other visa

category holders in order to firmly position Abu Dhabi as a global destination., Al Mheiri added.

The announced benefits include offers by major global brands. In automotive, Golden Visa holders will see prices slashes on car models, and will be given priority booking for new releases, in addition to payment facilities, maintenance offers, and licensing services.

In hospitality, ADRO has announced a list of premium destinations that include offers on stay, dining, spa treatments, gyms and other facilities. On the health insurance front, Golden Visa holders will enjoy reduced premiums on annual health insurance plans for families and individuals, with diverse network coverage and bundle of benefits inside and outside the UAE.

The full list of services is available at ADRO's website: [adro.gov.ae](http://adro.gov.ae)

#### **About the Abu Dhabi Residents Office**

The Abu Dhabi Residents Office is a division of the Abu Dhabi Department of Economic Development (ADDED), established to support the emirate's thriving international community. The office is dedicated to helping new residents settle into Abu Dhabi and supporting the integration and harmonisation of expatriates with the local culture and society. The office is developing smart services for its global talent residency programmes, guides for the international community, as well as active research and engagement initiatives that promote life in the emirate. The office also advocates for international residents and actively contribute to shaping policies that improve the quality of life for everyone in Abu Dhabi, now and in the future.
